

TASCA LINCOLN SHOWROOM

Cranston, Rhode Island

Project Scope:	Addition, New Construction	
Total Square Feet:	4,000 sf	
Project Team:	Lincoln Architects Diprete Engineering	Designer Civil Engineer
Completion Date:	April 2016	
Type of Project:	Automotive	

BOWERMAN ASSOCIATES has completed a 4,000 sf Lincoln Showroom addition at Tasca Automotive's main campus of dealerships at 1300 Pontiac Avenue in Cranston, RI.

The New Lincoln Showroom is compliant with Ford Land's newest requirements meeting the Moda 360 design. The showroom includes a new café area with the latest Starbucks coffee station. The sales and waiting areas are fashionably

decorated with comfortable leather chairs and high top lounge style tables to enjoy your coffee and WiFi.

Bowerman Associates was pleased to team with Lincoln Architects (Winchester, MA) as the designer for the new Lincoln showroom. The completion of the Tasca Lincoln addition marks the 5th project that Bowerman Associates and the Tasca Family have completed together since 2013.
