

TASCA FORD

Berlin, Connecticut

Project Scope:	Renovation
Total Square Feet:	8,000 sf Showroom 4,000 sf Service, Parts, Quicklane Waiting Area and Administrative Offices
Project Architect:	Lincoln Architects
Completion Date:	March 2016
Type of Project:	Automotive

BOWERMAN ASSOCIATES completed a renovation of the Tasca Berlin Ford Auto/Truck Dealership located 250 Webster Square in Berlin, CT for Tasca Automotive which is headquartered in Cranston, RI. The Tasca Family purchased the existing Morande Ford in Berlin, CT and hired the Bowerman Associates design build team to convert an existing Ford store into a new "Ford Land" approved dealership.

Phase 1 of construction included a complete renovation of the 8,000 sf showroom, including the addition of a new Ford Brand entry tower, new exterior glass storefront, new exterior ACM

metal panels, all new interior offices, lighting, and flooring per Ford Land specifications. Phase 2 included a new cafeteria/kitchen, restrooms, customer waiting areas, parts service counters and renovations to back of the house offices and operations.

Bowerman Associates was pleased to team with Lincoln Architects (Winchester, MA) as the designer of the new/upgraded Ford Dealership. The completion of the Tasca Ford Berlin Dealership marks the 4th project that Bowerman Associates and the Tasca Family have completed together since 2013.
